Building an Effective Team

This presentation focuses on building a productive team. Participants will begin by looking at team dynamics then exploring the role of the leader in a team environment. Tuckman's Four Stage Team Development model will be discussed as well as the six R's for developing teams: *Reason, Rules, Roles, Relationships, Responsibilities and Results.*

*What People Are Saying About **Building Effective Teams**:*

"Informative"

"It showed the importance of teamwork."

"Kevin made the program fun and interesting with projects."

"I like the one-cut paper exercise."

"Good discussion and ideas."

"Made me think about communication on our team."

"I liked that Kevin got everyone involved."
