Gossip, Rumors and Drama, Oh My!

Considering how satisfying it is to be right, how tempting it is to avoid having direct conversations and how nice it feels to confirm that others are feeling the same way, it can be hard to break the habit of gossip and rumors and the drama that accompanies them.

Nevertheless, it is important for leaders to have strategies to address these behaviors and the impacts they can have on their workgroup. This session will cover prevention efforts and provide tips for directly addressing specific situations.
