HelpNet
Webinar

Even with recent successes in social justice and popular culture, some gay, lesbian, bisexual, transgender and gender non-conforming employees still face bias, homophobia and discrimination in the workplace. The resulting fear and stress not only affect work performance but overall morale in environments that are not accepting or inclusive in varying degrees. In this workshop we will clarify sexual orientation and gender identity to better prepare all participants to collectively foster an inclusive working environment for all LGBT and gender non-conforming employees.
