After registering, you will receive a confirmation email containing information about joining the webinar.

Stepping Up to Supervision: DELIVERING EMPLOYEE FEEDBACK

Proper employee feedback not only reinforces positive behaviors and encourages development, it can also prevent performance problems if concerns are addressed sooner rather than later.

Most managers and supervisors know they should give feedback. Yet, many are not sure how to begin. This webinar will focus on feedback skills and the importance of establishing a regular dialogue with employees. We will review the ins and outs of employee feedback, how to prepare for it, how to give it, and how it can be used as a tool to increase communication with employees.
