The 21 Irrefutable Laws of Leadership

Based on John Maxwell's best-selling book of the same title, this session reviews how anyone can apply these life-changing principles. Like them or not, The 21 Irrefutable Laws of Leadership govern personal and organizational effectiveness. These laws also carry consequences with them.

Apply these laws to get people to follow you. Ignore or violate them, and you will not be able to lead others. The good news — you can learn every one of these laws.
