HelpNet webinar

ADDRESSING THE ELEPHANT IN THE ROOM: GRIEF, ILLNESS & CAREGIVING

While companies may have policies and procedures in place to manage sensitive people issues, the real challenge is the day-to-day interaction with the employees or work group affected, as no two situations are the same. This webinar will share practical advice for how to communicate, manage the situation, request the support needed and provide guidance for coworkers who want to give their support.

AVAILABLE ON DEMAND STARTING MAY 1
