Your Elder Loved One's Desire: To Live Independently

Your elderly loved one desire to live independently may not be safe and support their well-being. How do you know what to do? This seminar will provide information on how to assess the needs of elderly loved ones including their physical, mental, environmental and Financial and Financial and Legal condition, what in home services are available, when is it time for care outside of the home, how to talk your loved one about making a change when they say "no". If considering out of home placement how to evaluate facilities and if in a facility how to know if loved one is getting proper care.
