Mindful Eating

**Available on
demand**

.....Starting November 1

Does eating in your car, wolfing down lunch at your desk, or snacking while watching TV sound familiar? Do you often finish eating something and not really remember the experience? If so, you're not alone-between the hectic schedules we keep and the different roles that food plays in our lives, eating mindfully has become challenging for most of us. During this interactive session, we'll come to understand the concept of mindful eating and how to apply it. We'll also explore the important role mindfulness plays both in managing weight and in enhancing physical and emotional wellbeing.
